

# Don't Let a Legal Matter Stand Between You and Your Dream Home

## Legal Protection for Home Buyers and Sellers

With over 50 years in business, LegalShield is dedicated to creating a world where everyone can access and afford legal protection. For a low monthly fee, the LegalShield Plan gives you the ability to talk to a lawyer about the personal legal problems you face every day. And as a new home buyer or someone looking to sell your home, there are always legal questions and concerns that can appear during every step of the process.

### As a LegalShield Member, you can ask your provider lawyer about issues such as:

- Getting your Will done or updated now that you've acquired this big, new asset.
- Reviewing contracts for warranties and hiring contractors for improvements.
- Reviewing terms of your mortgage agreement.
- Holding your contractors accountable for non-performance on a job.
- Ensuring your warranty company stands behind their contract.
- Additional Legal Plan benefits:
  - Advice and Consultation
  - Traffic Violations
  - Consumer Finance Issues
  - Employment Issues
  - Letters and Phone Calls on Your Behalf
